1) A set of elective courses for a given academic year is subject to acceptance by the Faculty Council
2) It is required that through completing the "Elective Course - Humanities or Social Sciences II", the student should achieve the learning effect No. Tr2A W14
 points. This may be used to prepare student to the foreign language exam at the C1 Academic Level.
3) Two-week diploma practice is implemented after $2 n d$ semester if the thesis topic requires it
