## **Terms and conditions for admission to second-cycle (Master's) full-time studies in English at the Faculty of Transport WUT in the academic year 2021/2022**

The Faculty of Transport of the Warsaw University of Technology recruits for full-time second-cycle (Master's) studies in the field of Transport titled:

### **Transport systems engineering and management**

The studies last for three semesters and end with obtaining a master's degree in engineering. Program of studies is intended for graduates of first-cycle (stationary and part-time) studies in the field of Transport or other technical fields of study providing the degree of engineer.

The amount of fees for studies and the conditions for their payment are available on the WUT International Students Office website: <https://www.students.pw.edu.pl/Studies-Offer/M.Sc.-offer>

The terms and organization of recruitment process to full-time studies in English at the Warsaw University of Technology are available at: <https://www.students.pw.edu.pl/How-to-Apply/Admission-to-M.Sc>

The recruitment process for the studies starting from Oct 1, 2021 is on-going. The applications may be submitted from any computer connected to the Internet. Internet applications for candidates for studies will be accepted to August 2, 2021.

Candidates from outside the European Union submit online application and are subjected to the qualification procedure at the International Students Office of the Center for International Cooperation, WUT. Detailed information for these candidates and application forms can be found by e-mail: [students@cwm.pw.edu.pl](mailto:students@cwm.pw.edu.pl). For more information visit also WUT International Students Office website: <http://www.students.pw.edu.pl/>

Candidates from the European Union submit online application and are subjected to the qualification procedure at the Admissions Office, WUT. For more information visit <https://rekrutacja.pw.edu.pl/>

Candidates who do not have a first-cycle undergraduate degree made in English should document that language at least B2.
