JOIN THE ATHENS PROGRAMME 2025

ATHENS is a student exchange programme between technical universities from: **Austria, Belgium, Czech Republic, France, Germany, Greece, Hungary, Italy, Netherlands, Norway, Poland, Portugal, Romania, Turkey and Spain.**

ATHENS sessions consist of an intensive week-long course (30 hours) and a cultural programme of European Dimension Activities (10 hours). 2-3 ECTS credits can be obtained for each session.

Participation is free of charge; students cover travel and subsistence costs on their own.

The next session will take place from **15-22 November 2025.**

Recruitment for the autumn session will run from **1-24 September 2025.**
